

12" Champion Series DVC 4 ohm Component Subwoofer 1,600W Max / 500W RMS High Power Handling and High Endurance Dual layer, fiber reinforced elastic polymer surround. Iconic red spider for precise control and for stable and linear excursion.

High heat resistance voice coil. Large magnet with high heat dissipation. Deeper and Louder Bass High rigidity IMPP™ composite seamless cone with honeycomb. Double stacked large magnets and long voice coil with Aluminum bobbin. Heavy and Sturdy Structure Newly optimized steel basket design to decentralize load of heavy motor assembly and to maintain accurate cone motion. Firmly enclosed bottom basket for reliable bass reproduction.

General	
GRADE	Champion Series
Size	30 cm (12")
Maximum Music Power	1600 W
RMS	500 W
Frequency Response	20 Hz to 1.6 kHz
Sensitivity (1W / 1m)	92dB
Impedance	Dual 4Ω
Mounting Depth	157 mm
Cut-Out Dimensions	ø283 mm
Resonance Frequency	37 Hz
Xmax	11.3 mm
Magnet Weight	2,540 g
Recommended Enclosure	35.4 liters
