

12" Champion Series Pro DVC 4 ohm Component Subwoofer Champion-Series PRO: The Champion's Pursuit in Sound Mastery

Introducing the latest Champion Series PRO Subwoofer TS-W3004D4, engineered for profound, resonant bass reaching an impressive 2400W (max) output. Equipped with an Oversized Motor Assembly, Double-Stacked Magnets, and Extended Voice Coil for enhanced performance. The TS-W3004D4 boasts a Dual-Layer Fiber-Reinforced Elastic Polymer Surround and Dual Spider System, guaranteeing enduring and robust performance. Experience product durability and strength with our robust design, highlighting an optimized, enclosed steel basket, and effective cooling air ventilation for exceptional performance.

Each Champion Series subwoofer is an emblem of Pioneer's precision design and engineering with a True Pioneer Sound Characteristic.

General	
Size	30 cm (12")
Maximum Music Power	2400 W
RMS	800 W
Frequency Response	20 Hz to 1.6 kHz
Sensitivity (1W / 1m)	94 dB
Impedance	Dual 4Ω
Mounting Depth	190 mm
Cut-Out Dimensions	ø283 mm
Resonance Frequency	37 Hz
Xmax	19.4 mm
Magnet Weight	3,250 g
Recommended Enclosure	35.4 liters
